Initial Case Report

Case Report # **2016-00021536**

NARRATIVE

OFFICER N. ADAMS #127:

On the date and time of this incident I was wearing a full Lake Stevens Police Department issued duty uniform which includes shoulder department patches and a chest badge which clearly identified me as a law enforcement officer. On the date and time of this incident I was operating a marked Lake Stevens Police Department patrol vehicle equipped with emergency overhead lights and audible siren. On the date and time of this incident I had legal authority to arrest. I'm currently certified to enforce the laws of the state of Washington and received my Peace Officer Certificate from the Basic Law Enforcement Academy and commissioned by the chief of the Lake Stevens Police Department.

ASSIGNMENT:

On 10/29/16 at about 2219 hours (all times approximate), I responded to a collision at 9828 S Lake Stevens Rd, in the city of Lake Stevens. Text showed three minutes ago a white van that left a party at a neighbor's house and collided into the guardrail in front of the reporting party's house.

I spoke with the reporting party's husband who said he heard the collision, went outside and witnessed a person he believed appeared to have been intoxicated exit a van. The reporting party's husband said the person appeared to be wearing a costume and walked back to the where the party was but wasn't able to provide any further identifying detail of the suspect.

At the bottom of hill where 99th Ave SE terminated into S Lake Stevens Rd there was a tire mark in the grass (beyond the roadway) that pointed to a damaged guardrail; the metal was bent and a wood post was cracked in half.

To the east of the damaged guardrail was a white van, with Washington State license plate B33810Y, with damage to the front bumper on the passenger side. The company's name and phone number on the side of the van was Ruff Construction Inc. and (425) 487-0702.

I called (425) 487-0702 and left a voicemail regarding the incident and my request to know who was assigned that company vehicle that night.

I located the house party at 2220 99th Ave SE and spoke to approximately twenty people who were standing in the driveway, many of which were holding cups with amber colored liquid.

I asked to speak with the homeowner, a woman named Dawn said the house belonged to her but nobody claimed to or have witnessed the collision or know who the van belonged to. The damaged guardrail was in clear and open view from the driveway where I spoke with the group.

CONCLUSION:

This report was submitted from an electronic device owned, issued, or maintained by a law enforcement agency using my user ID and password. I certify or declare under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.
